AMENDMENT

S I R:

In response to the Office Action of June 5, 2006, applicant requests that the above-identified application be amended as follows. Pursuant to current practice, all pending claims, including original claims, previously presented claims, withdrawn claims, and currently amended claims, are presented below. Canceled claims are indicated as being canceled. Additions to the specification and claims are indicated by underlining, while deletions are indicated by strikethrough or double brackets.
